

Postdoctoral Researcher Openings – Integrated Photonics

<http://bahl.mechse.illinois.edu>
bahl@illinois.edu

Our group is seeking researchers for conducting experimental research on integrated photonics for non-reciprocal devices. Direct experience with photonics fabrication and background in nonlinear optics, electro-optics, or acousto-optics would be very beneficial.

The research project is closely related to the following recent papers from our group --

<https://arxiv.org/abs/2210.01064>

<https://www.nature.com/articles/s41566-021-00884-x>

<https://www.nature.com/articles/s41566-017-0075-2>

Interested candidates should contact Prof. Gaurav Bahl with a complete CV, accompanied by a short paragraph highlighting relevant practical experience.
